

RECESSED LUMINAIRE

SIRIUS

D51-037041

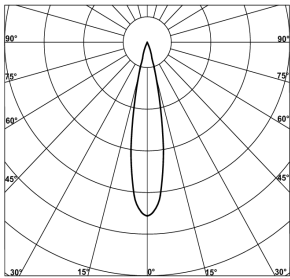

PRODUCT FEATURES

DESCRIPTION

Sirius is a compact, high-output LED mini spotlight engineered for focused illumination in shelving, showcases, and different environments. Constructed with a die-cast aluminum body and precision optics, it delivers tight beam angles ideal for highlighting featured items with clarity and contrast. Sirius allows flexible installation, making it an excellent choice for space-constrained and detail-focused lighting applications.
