

WALL LUMINAIRE

APOLLO

W82-220220

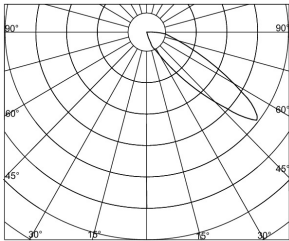

PRODUCT FEATURES

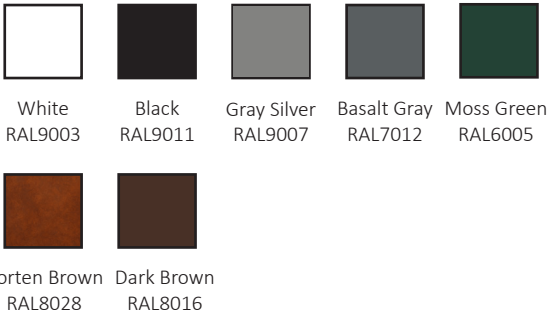

DESCRIPTION

Wall-mounted luminaires are engineered to deliver consistent, high-performance illumination across perimeter walkways, entrance zones, and parapet walls. Made of die-cast aluminum and designed with a focus on both form and function, these fixtures elevate architectural aesthetics through contemporary finishes. They support advanced asymmetrical light distribution optics, enabling precise light control and minimizing spill light. Surface-mounted configurations facilitate efficient installation, reducing labor and integration time without compromising structural integrity or visual coherence.
