

RECESSED LUMINAIRE
EMBER

D23-133169 (TRIM)
D26-120147 (TRIMLESS)

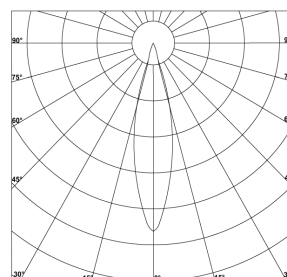

PRODUCT FEATURES

DESCRIPTION

Square recessed downlights are ceiling-integrated luminaire designed for a streamlined, contemporary aesthetic. Featuring a square aperture, they are available in multiple form factors, power ratings, and correlated color temperatures (CCT). Offering both ambient and accent lighting options through various beam angles, they provide a flexible solution for residential, retail, and commercial environments requiring efficient, low-profile illumination.
